RE: Antidumping duty scope determination of Wooden Bedroom Furniture from the People's Republic of China (A-570-890)

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Maxim Company Taiwan, Ltd. ("Maxim"). Commerce issued a final scope determination on 11/19/2014 that Maxim's toddler beds shaped to resemble a toy front-end loader construction vehicle ("construction vehicle toddler bed") with model numbers 62031-01 and 62031-2 which Maxim exports are not within the scope of the antidumping duty order on wooden bedroom furniture from the People's Republic of China (A-570-890).
2. Commerce determined that Maxim's construction vehicle toddler beds with model numbers 62031-01 and 62031-2 are outside the scope of the order because the scope of the order specifically excludes infant cribs, and Maxim's construction vehicle toddler beds (1) are designed to use a standard crib mattress having the dimensions 51 5/8 inches in length by 27 1/4 inches in width and (2) conform to ASTM F 1821-13, which superseded ASTM F 1821-97. Therefore, Maxim's construction vehicle toddler beds with model numbers 62031-01 and 62031-2 are not within the scope of the antidumping duty order on wooden bedroom furniture from the People's Republic of China.
3. For all entries of construction vehicle toddler beds with model numbers 62031-01 and 62031-2 not within scope that remain unliquidated on or after 06/24/2004, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits and release any bonds relating to the construction vehicle toddler beds with model numbers 62031-01 and 62031-2 described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of construction vehicle toddler beds with model numbers 62031-01 and 62031-2 entered, or

withdrawn from warehouse, for consumption on or after 06/24/2004.

6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of wooden bedroom furniture from the People's Republic of China not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
